Dear Brandon,

I would like to thank Relevante, Inc. for sponsoring the North Penn Chapter of the IMA's web site at <http://northpenn.imanet.org/>. At the national conference this year, the chapter was awarded a silver medal for the web site. Karen Jett accepted the award in behalf of the Chapter. The site is a valuable source of chapter information including contact information, announcements and links to other IMA sites.

I look forward to an ongoing relationship between Relevante, Inc. and the North Penn Chapter.

Sincerely,

A handwritten signature in cursive script that reads "Monica W. DeCaro".
