Featured Speakers	
<p>Brandon S. Weinstock, CPA Director of Project Consulting Relevante Inc.</p>  <p>With 30-plus years of experience as a management consultant, CPA, financial and operations manager, and entrepreneur, Brandon brings a wide perspective and deep value to the table for his clients. He has managed national-level consulting operations for large CPA and consulting firms, and held C-level private industry positions in business operations and accounting.</p>	<p>Charles Petosa, MBA, CPA Relevante, Inc. Senior Consultant</p> <p>Chuck is a Certified Public Accountant with 24 years of hands-on experience in business management, including over 19 years reporting to senior management levels. He has a thorough knowledge of financial analysis, management, reporting, business process, internal control, corporate governance and Sarbanes-Oxley compliance. Chuck has broad experience in industries including real estate, wholesaling, retail, manufacturing, advertising and higher education. He continues to provide organizations with teaching, supervision, training and staff development and has taught a variety of accounting courses at several local colleges and universities.</p>
<p>Brian Nolan Core BTS, Inc. National Director, Information Security Services</p>  <p>Douglas Neary partners with clients in a variety of industries to synthesize business objectives, operating constraints and marketplace imperatives into compelling performance improvement strategies. In his 20 year consulting and business leadership career, he has advised and assisted a number of mid-market and Global 1000 firms in pharmaceuticals, discrete manufacturing, chemicals, oil and gas, energy, transportation and consumer packaged goods. Previously, Neary served as the CIO of a \$2B international consumer packaged goods manufacturer and led global consulting and systems integration business units within IBM, Cap Gemini and Day & Zimmermann.</p>	<p>Doug Neary Liquidhub, Inc. Managing Principal, Enterprise Content, Collaboration and Compliance solutions</p> <p>Brian has over 13 years of professional experience in information security and holds several industry certifications, including CISSP, GCIH, GCIA, GCFA, GCUX, GSEC, GSLC, GCPM and GWAS. Brian's primary areas of practice include Security Assessment, Penetration Testing, Intrusion Detection, Incident Response, Forensic Investigation, Web Application Security, Wireless Security, Security Architecture, Security Compliance, Policy Development, and Security Awareness Training. He has provided security consulting services for clients in Financial Services, Banking, Healthcare, Education, Mortgage Services, Publishing, Gaming, Hotel, Retail, Software, Insurance, Construction, Manufacturing, Energy, Chemical, Communications, Legal, and Non-Profit.</p>
